The Trustee hereby appoints the Company its agent to collect and receive any and all of such rentals and other payments and to take any and all actions in respect of such Leases until the happening of an Event of Default (as such term is defined in the Trust Agreement). Except for the Assignment dated December 18, 1985, hereinabove referred to, the Company represents and warrants that it has not heretofore made and agrees that it will not hereafter make in respect of such units of Trust Equipment any other assignment of the Leases or the rentals or the payments payable to or receivable by the Company under the Leases.

2. It is expressly understood and agreed that the assignment made and security interest granted herein apply only to the Leases (and any right, title, interest, power, and privilege of the Company as lessor thereunder) insofar as such Leases cover or otherwise apply to the rail cars described in Exhibit A hereto and any rail cars substituted as replacements for the rail cars described in Exhibit A hereto, ipso facto, without further instrument of assignment (but do not apply to any rail cars added to such Leases as additional and not replacement rail cars).

3. It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of the lessees under the Leases, and that the Trustee, so long as any such lessee is not in default under its Lease, shall not interfere with the rights of peaceful and undisturbed possession of such lessee in and to

(b) Upon the release of any such unit of Trust Equipment pursuant to Section 4.05 of the Equipment Trust Agreement, this Assignment shall terminate pro tanto with respect to (i) such unit of Trust Equipment and (ii) rights assigned to the Trustee hereby and by the Equipment Trust Agreement in the Leases insofar as they relate to such unit of Trust Equipment, and upon such partial termination such unit of Trust Equipment and rights shall revert to the Company or to such person or persons as may be legally entitled thereto, provided, however, that if an Event of Default has occurred and is then continuing, such termination and reversion shall not occur until such Event of Default shall have been cured or waived in accordance with the provisions of the Equipment Trust Agreement. After any partial termination, the provisions of this Assignment shall no longer be applicable to such unit of Trust Equipment and rights, and the Trustee shall at the request of the Company or such other person,

and at the expense of the Company, deliver to the Company or such other person, a writing evidencing such partial termination.
